## **3. Minutes of previous meetings:**

Approved with 'typo' spotted.

## **4. Matters arising:**

SM explained meeting with I.Boulton to discuss trimming plans

## **5. Playground update:**

JR presented that the Battersea playground needs more money than the PILs allocated due to safety concerns – about £15k more; Tom Smith and Caroline Streeks consulted on content of playground attractions; expected completion July 2020; Tom organising survey of children and parents as to design of playgrounds; Sunday working-group meeting; while Battersea playground being "updated" the playground near the Spinney is the main project.

## **6. Working Group updates:**

AD updated that TLE have a "mowing-map" of where that should take place; also that Ajay Joshi is difficult to contact and requests information for information ignored as tree officer; Advised that Dr I.Boulton is on the TLE committee and that he might be the route to get things done.

## **7. Member group updates - BB, CS and FoCC:**

SK of FoCC described boating-house having been painted, as well as having received permission to paint the container near Battersea changing rooms; also updated group about having monies to spend on a water-fountain project: a picture of fountain was circulated; SM suggested asking Mark Fisher at Lambeth Council for approval of the Friends suggested fountain.

SM informed that the Temperance water-fountain monument is difficult and costly to restore due to having lead pipers, replacement of which will need monument lifted-up.

AD offered water bowser bought for use by the Friends is available for watering trees; Council may be reluctant to allow bowser to be filled at Depot Office due to water-rates; HOM mentioned bore-hole where water would be free. Action Point: SM meeting Dr I.Boulton, Chris Jude and Mark Fisher.

## **8. AOB**

JR noted that there a lot non-electric vehicles like ice-cream van spewing out smoke near the children's playground; was contradicted that in fact the said vehicle is now electric.

NH mentioned the Clapham Manor School Equalities March taking place a week later and that it was school-wide participation with 450 on the march.

KS asked about the impending cabinet-approval on proposal to handover management of Lambeth park facilities to GLL. Action Point: Councillors will get update.

SM had walked around Clapham Common with "London in Bloom" judges; HOM asked if judges were happy: SM stated one of the judges was visiting after 15-year absence and was impressed.
