I accept this nomination as a community representative on the committee.

**My Personal Statement:**

I have been a Clapham Common resident for 26 years and have always been an active user of the Common in many ways. As a parent I regularly use the cricket nets and <sup>table</sup> tennis tables with my children and also fish with them in Eagle and Mants Ponds a few times a year. I have watched my children playing school sports on the common for many years and can often be seen at La Baita catching up with local friends over a coffee so Clapham Common is very close to my heart. I play hockey on Saturdays and have been a volunteer coach for London Wayfarers Hockey Club (Junior Section) for the past 5 years, helping introduce hundreds of local children to the sport and then developing their skills both individually and as a team.
