I accept this nomination as a community representative on the committee.

My Personal Statement: I have been an elected member of CCMAC since 2013, working with Lambeth officers, councillors and the local police on matters concerning LGBT users of the Common. Since 2014 I have been Chair of Bandstand Beds Association (BBA), the food growing project based on the Common. In the last year BBA has transformed a derelict corner of the green waste site, known as ‘the dump’, into a vibrant community asset. The group’s membership has risen from 10 to over 90 in the last year. I believe the Common belongs to everyone and have organised free ‘Common People’ events on the Bandstand to celebrate local diversity and inclusiveness. In the 2014 Lambeth Community Awards, I received the Lord Scarman Award for my ‘role as a leading member of CCMAC and chairperson of Bandstand Beds’.
