I accept this nomination as a community representative on the committee.

**My Personal Statement:**

As a resident of the Clapham Common area, living on Englewood Road, the park is an important feature of living here in Clapham, a feature that needs to be preserved and protected. As a committee member I would work to preserve 3 aspects of the common: its safety (especially at night), cleanliness, and lastly increasing opportunities for residents to use the common constructively. Ultimately my aim is to preserve the common for future generations.
