NOMINATION FORM FOR THE ELECTION OF COMMUNITY REPRESENTATIVE

CCMAC has ten Community Representative positions available for a two year term from February 2023 to February 2025. Representatives will be chosen by election at the CCMAC annual meeting at Omnibus Theatre on Thursday 2 February 2023.

Nominees should be resident in one of six local authority wards that border the Common: Clapham Town, Clapham Common & Abbeville, Clapham East, Balham, Northcote, and Shaftesbury & Queenstown or represent a major user group (e.g. sports or community) on Clapham Common.

Candidates must have the time available to make a meaningful contribution to the Committee's work. This includes monthly meetings of the whole Committee lasting no more than 2 hours; meetings every 1-2 months of working groups (each Committee member typically sits on one or two working groups); and email correspondence between meetings.

Members may also volunteer for activities on the Common, such as assisting with Bandstand concerts, litter picking or community gardening.

Please return the completed form to ccmacwebsite@gmail.com by close of play on **Thursday 26 January 2023**. You can type your response directly onto this form.

My Personal Statement:

I love the Common, have lived around it for 35 years enjoying all it offers from ponds to the bandstand, sport, playgrounds, quiet walks in the snow, picnics in all weathers. It's a place we all use and love – and often forget its importance to all of us as well as the climate.

I joined CCMAC in 2018 and I would like to continue to work with everybody – both on the committee and in the community – to ensure we protect this wonderful green space so that it can help protect us.

I chaired the committee that oversaw the development of the playground – ensuring that two local residents were included in the committee – creating a playground enjoyed by all. I work with colleagues as they plant trees and develop wild and diverse spaces.

I currently chair the Access and Paths working group and sit on the Masterplan Delivery group.

I am not against events on the Common – now that more of the revenue is reinvested in the Common – but mega events are not welcome as they close off large spaces and paths for many months and harm the land.

Please support my application to stand again.
