

CLAPHAM COMMON MANAGEMENT ADVISORY COMMITTEE (CCMAC)

ANNUAL MEETING - 7pm, THURSDAY 2 FEBRUARY 2023

Omnibus Theatre, 1 Clapham Common Northside, SW4 0QW

NOMINATION FORM FOR THE ELECTION OF COMMUNITY REPRESENTATIVE

CCMAC has ten Community Representative positions available for a two year term from February 2023 to February 2025. Representatives will be chosen by election at the CCMAC annual meeting at Omnibus Theatre on Thursday 2 February 2023.

Nominees should be resident in one of six local authority wards that border the Common: Clapham Town, Clapham Common & Abbeville, Clapham East, Balham, Northcote, and Shaftesbury & Queenstown or represent a major user group (e.g. sports or community) on Clapham Common.

Candidates must have the time available to make a meaningful contribution to the Committee's work. This includes monthly meetings of the whole Committee lasting no more than 2 hours; meetings every 1-2 months of working groups (each Committee member typically sits on one or two working groups); and email correspondence between meetings.

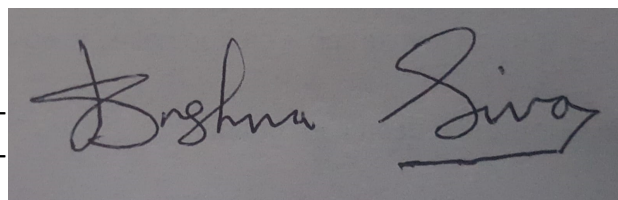

Members may also volunteer for activities on the Common, such as assisting with Bandstand concerts, litter picking or community gardening.

Please return the completed form to ccmacwebsite@gmail.com by close of play on **Thursday 26 January 2023**. You can type your response directly onto this form.

I, [Krishna K. Siva]:

wish to be nominated to be a Community Representative on CCMAC.

Signature:

Please type in no more than 200 words why you should be elected. This will be displayed at the annual meeting and posted on the CCMAC website.

Nominees will also have the opportunity to speak for (no more than) one minute at the annual meeting.

My Personal Statement:

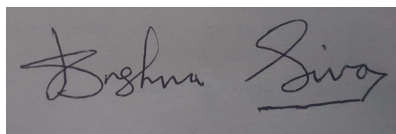

I would directly like to scrutnise and contribute to progressive developments in relation C.C.

Especially as modus operandi seems to be going backwards the other way, at least in my experience as local resident for 40+ years; having recently witnessed loss of beloved bowling greens sports and staff site-management at same said location after 50+ years of operations, for example. The watering down of paddling-pool to „Water-Play“ feature, and costly transformation of new Windmill playground to a scaled-down miniture playground, are other examples of the direction of travel at the expense of human verve, in my opinion.

As vested wholesale-client and user of C.C. tennis-facility, future aims for the venue on C.C. would include securing planning-permission towards floodlights on tennis-courts where ther are none currently, and bring up-to-date the existing ones. Longer-term, push and plan for some indoor tennis-courts on C.C. in preparedness for the climate-changing scenario we are in.

Better parterships with Lambeth Council, local-communities and independent strong voices would ensure C.C.'s for everybodys leisure health and mere green-open-space environment.
