

## **CLAPHAM COMMON MANAGEMENT ADVISORY COMMITTEE (CCMAC)**

**ANNUAL MEETING - 7pm, THURSDAY 5th FEBRUARY 2026**

**Omnibus Theatre, 1 Clapham Common Northside, SW4 0QW**

### **NOMINATION FORM FOR THE ELECTION OF COMMUNITY REPRESENTATIVE**

CCMAC has four Community Representative positions available for a two-year term from February 2026 to February 2028. Representatives will be chosen by election at the CCMAC annual meeting at Omnibus Theatre on Thursday 5 February 2026. Some existing members will be standing for re-election, but new applications to serve as Community Representative are very welcome; the election process will not distinguish between existing members and new candidates.

Nominees should be resident in one of six local authority wards that border the Common: Clapham Town, Clapham Common & Abbeville, Clapham East, Balham, Northcote, and Lavender, or represent a major user group (e.g. sports or community) on Clapham Common.

Candidates **MUST** have the time available to make a meaningful contribution to the Committee's work. This includes 12 two-hour evening meetings (one each month) of the whole Committee and engagement in one or more of the Committee's working groups taking CCMAC's work forward between meetings. Active participation in volunteer activities on the Common, led by CCMAC itself and associated organisations, is strongly encouraged .

All members of CCMAC are required to sign up to the Committee's Code of Conduct, committing, amongst other things, to act in the best interest of CCMAC as a whole and respect confidentiality.

Please return the completed form to [ccmacwebsite@gmail.com](mailto:ccmacwebsite@gmail.com), copied to the Secretary at [phil@philcarey.co.uk](mailto:phil@philcarey.co.uk), by close of play on **Thursday 15 January 2026**. You can type your response directly onto this form.

I, Edward Glanville wish to be nominated to be a Community Representative on CCMAC.

### **My Personal Statement :**

My name is Edward Glanville and I live on the Common, which I use daily throughout the year — for running, thinking and enjoying one of London's rare stretches of open green space. Spending so much time here has made me deeply appreciative of how special the Common is, and how important it is that it is cared for thoughtfully and responsibly.

I am keen to join CCMAC because I care about how the Common works in practice: how it supports wildlife, how people use it, and how different needs are balanced fairly. I want to help ensure it remains welcoming, safe and resilient for everyone, from dog walkers and families to long-standing residents and visitors.

Alongside this local connection, I work at *The Economist* as Head of Sustainability Programmes. My role involves bringing together governments, experts, scientists and community voices to address environmental challenges, particularly around biodiversity, land use and long-term planning. This experience has given me a strong understanding of evidence-based decision-making and the importance of long-term thinking.

I am actively involved in local and environmental discussions and am committed to giving the time required for this role. I would welcome the opportunity to contribute collaboratively to protecting the Common for future generations.
